++ Valid for broadcast between 1800 and 0600

Headline:
A chilly night with some clear spells.

This Evening and Tonight:
Clear spells remaining into the evening, giving a largely dry night to all, before turning somewhat cloudier as patches of cloud approaching from the east overnight. A few fog and mist patches possible. Turning chilly. Minimum temperature 4 deg C (39 deg F).

Friday:
The fog and mist will soon clear, leading to a day of some sunshine, but also cloudier spells at times. Feeling warm in the sunshine with light winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Saturday to Monday:
Remaining dry and fine with sunny spells through the period. Feeling warm by day, but cool overnight, with early mist and fog possible.
